TEAM USA: A YEAR OF SUCCESSES

"We knew it all along and now the rest of the world knows that TEAM USA really works."

TEAM USA the concept and the tournament provided a year of excitement and successes.

The TEAM USA Bowling Tournament was created to meet the United States Olympic Committee's criteria of determining a national amateur champion and in turn also brought together and molded a championship team to represent WIBC, ABC and the United States in international competition and ultimately the Olympic Games.

Over 10,500 women entered the TEAM USA Bowling Tournament at the local level — many of them entered with dreams of grandeur. Sixty-one women bowlers competed in the TEAM USA National Finals in Milwaukee, Wis., August 25-30 at Red Carpet Celebrity and Red Carpet South Lanes. And what a show it was.

Six talented bowlers emerged victorious after 48 games of grueling competition, 24 games of qualifying and 24 games of match play. The team: national amateur champion, Cora Fiebig, Madison Heights, Mich.; Sandra Jo Shiery, Bronson, Mich.; M. Sue Holton, Orlando, Fla.; Nellie Glandon, Columbus; Kathy Wodka, Las Vegas; Karen Bender, Lansing, Ill.; and alternates Lana Mink, Groton, Conn., and Debbie McMullen, Denver.

The men's team: national amateur champion, Dan Nadeau, Las Vegas; Rick Steelsmith, Wichita, Kan.; Duane Sandvick, Bismarck, N.D.; Rod McLean, Baltimore; Jerry Ledbetter, Puyallup, Wash.; and Rick Graham, Lancaster, Pa.

The teams participated in various events throughout the season.

The first stop: The U.S. Olympic Training Center (USOTC) in Colorado Springs, Colo., in February 1987.

In addition to working on their games on various lane conditions, the teams were instructed by various experts on subjects including muscle conditioning, psychological tactics, drug use and drug testing and nutrition.

The two national amateur champions were the first to put their training to use. Fiebig, Nadeau, U.S. professional bowlers Barbara Thorberg of Florissant, Mo., and Mark Roth of Spring Lake Heights, N.J., and Canadian team members Shirley Hofman of Burlington, Ont., and Craig Woodhouse of St. Catharines, Ont., participated in the Brunswick/BWAA Friendship Challenge, March 16-20 in Niagara Falls, N.Y.

The standing-room-only crowd witnessed quite a performance as Thorberg, Nadeau and Woodhouse edged out Roth, Fiebig and Hofman in a two-game match.

The next stop . . . an Aaland Island exhibition in May enroute to the Federation Internationale des Quilleurs (FIQ) World Championships in Helsinki, Finland.

The team took on the Aaland Island bowlers — the first time an event of this stature was staged in an Idrottsgarden (sports house). Shiery and Sandvick emerged as the all events champions.

And off to Helsinki they went. The teams set 13 records

and Steelsmith shot the first 300 game in FIQ history.

The women brought home the gold in the team event with a 6011 record score and a 1063 record game.

Glandon, Holton and Bender took the gold in trios competition and set three world records in the process: 3603 total, a three-game mark of 1946 and a record game of 677.

Not far behind were Shiery, Fiebig and Wodka. They earned the bronze medal in trios.

Fiebig and Wodka teamed together to take the doubles gold with their world record score of 2566 for six games. They also set a three-game record of 1293. Fiebig set another record in the onslaught — 1330 for the set which broke the previous individual six-game record.

Shiery stole the gold in the all events competition with her 24 game tally of 4844 and Glandon earned the bronze medal in singles competition with a 1247 tally.

The onslaught continued . . . topping off the performance was each of the women players making the final 16 for match play — a first in world competition.

Holton finished fourth in the grand masters finals after being defeated in her first game of the stepladder finals.

The men's luck went just as far, due in part, to the performance of Steelsmith.

He earned the silver medal in the grand masters final; the gold in all events; a share of the gold in trios competition where he teamed with Nadeau and Sandvick to set a 756 record; a share of the bronze in doubles with Nadeau; and a bronze in singles.

Two U.S. men and two U.S. women were invited to participate in the first annual Haarlem Bowling Week in Haarlem, The Netherlands, 12 miles from Amsterdam. Fiebig, Shiery, Sandvick and Ledbetter went on to participate.

The four-player contingent earned runner-up honors in the exhibition competition.

Fiebig won the women's title with 644 and Shiery placed third. Sandvick placed second for the men with 595 and Ledbetter placed seventh. The U.S. finished second in the mixed team event with 2377.

Nineteen hundred and eighty seven was truly a year of successes for TEAM USA. Success for the bowlers and success for the administrators. Their accomplishments will no doubt shine in the minds of everyone who witnessed the onslaught of the first TEAM USA.

"Since our efforts to get bowling in the Olympics have been ongoing for several years, it is a great thrill to know that we have succeeded and that bowling will be an exhibition sport in the 1988 Olympics," Helen Baker, WIBC president.

It has been a long time coming.

The 1988 Olympic Exhibition will mark the first time bowling has been included in the Games in more than 50 years. The only other time bowling was associated with the Olympics was in the summer of 1936 when an international tournament was held in Berlin, Germany, at the same time as the Summer Olympics.

Bowling's inclusion in the 1988 games became official following an agreement between the Seoul Olympic Organizing Committee and the Federation Internationale des Quilleurs (FIQ).

In addition to WIBC and ABC, Group C members of the United States Olympic Committee (USOC), the Bowling Proprietors' Association of America (BPAA) and Brunswick Corporation helped negotiate the agreement with the FIQ and the Seoul Olympic Organizing Committee.

The finals at the Olympics involve only singles events for men and women so a preliminary qualification tournament is planned. Twelve men and women will qualify for the finals. There will be 11 matches, with the top four qualifiers competing in the stepladder finals for the championships.

The United States representatives to the qualifying tournament preceding the Olympic Exhibition will be chosen through the 1987 TEAM USA Bowling Tournament. TEAM USA members will have the opportunity to compete for a chance to bowl in a one-day championship event on September 18 in Seoul, South Korea.

"It is the most important announcement that's ever been made in bowling," Roger Tessman, FIQ president said. "We feel that this is certainly a major breakthrough for bowling and one that we are most proud of."

"Our next objective, of course, is to have bowling recognized as an offical Olympic sport in time for the 1992 Summer Games," Tessman said.

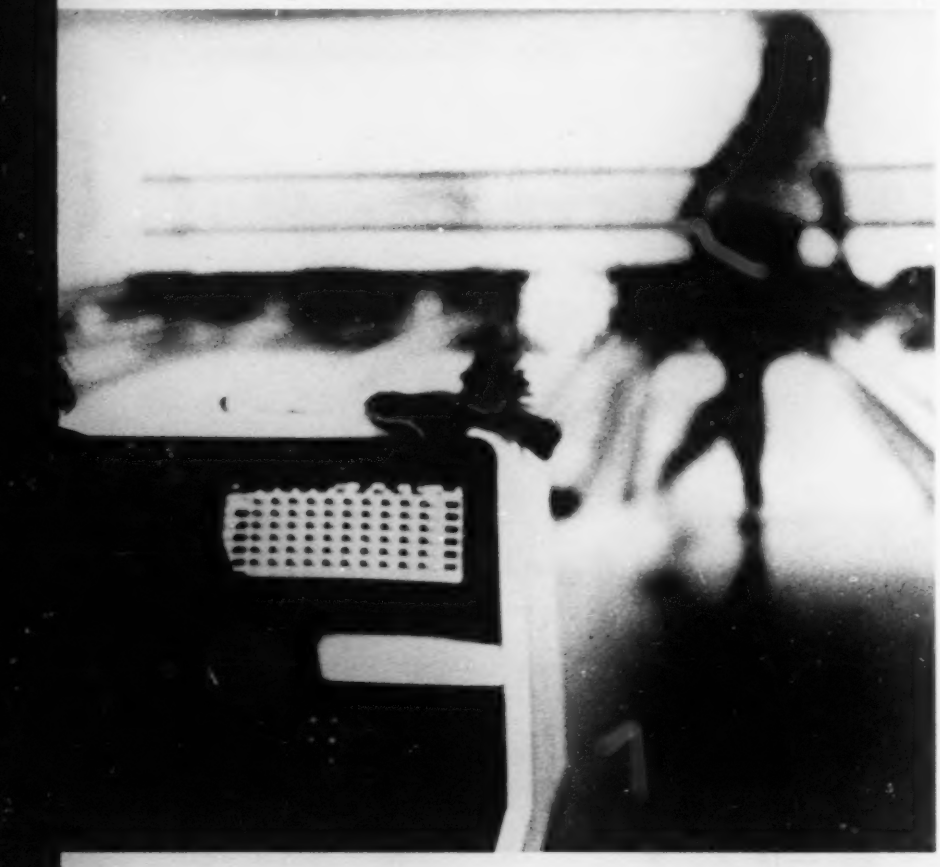
The push for Olympic inclusion has been ongoing for several years. Jack Reichert, president, chairman of the board and chief executive officer of Brunswick Corporation focused attention on the Olympic push when he had petitions advocating Olympic status posted in every Brunswick Recreation Center in the U.S. and Canada. Through this effort, over 100,000 signatures were collected and delivered to the USOC.

In addition to having the exhibition in the Olympic Games, bowling is now one of 28 eligible sports for the Pan American Games beginning with the 1991 Games in Havana, Cuba.

Olympic inclusion has advantages including use of the Olympic Training Center in Colorado Springs, Colo.

Olympic inclusion allows bowlers everywhere the chance to represent the United States with pride.

It's official! Bowling will be an exhibition sport in the 1988 Olympic Games. From left to right: Sonny Frantz, BPAA president; Helen Baker, WIBC president; Roger Tessman, FIQ president; Jack Reichert, Brunswick CEO; and Joe Dahl, ABC president.



Bowling, no doubt, has athletes capable of delivering world caliber performances. The AMF World Cup, the FIQ World Championships and American Zone Championships, the Tournament of the Americas and the TEAM USA National Finals have shown this.

Bowling, like any other sport demands natural athletic ability, hard work and hours of grueling practice. Bowling, however, can provide some things that other sports cannot: Bowlers do not have to be young athletes, the old and young can participate together; men and women can compete on the same level; and the camaraderie among bowlers is overpowering.

One bowler can tell the story of the 1936 Olympic experience. Joe Norris who competed in Berlin remembers the experience vividly.

"Fifty years ago, I had the pleasure of competing in Berlin, Germany, in the International Bowling Tournament in conjunction with the Olympic Games. There I met many fine bowlers and athletes from France, Czechoslovakia, Germany, Finland, Sweden, and many other countries. And when I paraded into that building with flags of all nations fluttering around me, I was thrilled. I had goose bumps all over my body."

The advancements bowling has made in the past year and the push toward getting bowling in the Olympics as a medal sport will give bowlers the opportunity to experience the same goose bumps that Norris experienced in 1936.

Bowling, bowling and more bowling. Competition, great competition and tough competition. Women bowlers put on quite a show during the 1986-87 season . . . the statistics tell the story.

Every member of the Women's International Bowling Congress is provided with the opportunity to compete and show her bowling talents. The 1986-87 season was no different.

The WIBC Championship Tournament, the largest sporting event for women, was held in Hartford, Conn. The 68th Tournament opened April 2 and ran 63 consecutive days to June 3. The event was the largest WIBC event ever held in New England.

The Championship Tournament drew 7,147 teams. A total of 37,983 women bowlers competed in three divisions (determined by average). The prize fund totaled $804,807 with 13,360 bowlers receiving prize checks.

A host of familiar faces calling themselves Tool Warehouse of Hollywood, Fla., captured the team title. Donna Adamek, Linda Kelly, Debbie Bennett, Jane Sassaman and Regina Snodgrass combined for 3033. Kelly and Sassaman held the scoring honors with 649. Kelly shot 222, 257 and 170 while Sassaman rolled 254, 180 and 215. Bennett was not far behind with 628. Adamek and Snodgrass shot 580 and 527, respectively.

Robin Romeo of Van Nuys, Calif., and Laura Grant of Norwalk, Conn., captured the doubles titles. Romeo led the scoring spree with 688 on games of 245, 206 and 237. Grant shot 201, 215 and 224 for 640. The duo's 1328 smashed the old record, 1315, recorded by WIBC Hall of Famers Gloria Bouvia and Judy Soutar in 1969. Romeo and Grant weren't alone, however. Three other duos recorded 1300-plus tallies.

Regi Jonak of St. Peters, Mo., a former international competitor, secured a WIBC title when she shot 728 on games of 234, 258 and 236. Jonak was the closest threat to the 737 standard recorded by D.D. Jacobson of Playa Del Rav, Calif.

On May 10, Kelly became only the third bowler in the history of the WIBC Championship Tournament to record a perfect game.

As Kelly, 38, threw 12 perfect balls into the pocket a huge crowd gathered to watch and cheer her on.

Kelly joins Rose Walsh of Pomona, Calif., and Lori Gensch of Milwaukee in the record books. Walsh, 61,

The West Texas State University team rejoices after its win in the the NCBC.

Leanne Barrett of Oklahoma City, Okla., became the youngest player to capture a WIBC title when she shot an outstanding 1972 all events tally. Barrett recorded marks of 681, 677 and 614. She came within 12 pins of the all-time all events record of 1984 set by Dorothy Fothergill in the 1970 WIBC Championship Tournament.

Kelly of Union, Ohio, not only earned a share of the 1987 WIBC Championship Tournament team title, but she added some extra excitment to the 68th Tournament.

tossed a perfect game in the 1986 Tournament in her singles event and Gensch holds the honor of being the first woman to roll a perfect game in the event. She shot a 300 in her doubles competition in 1979.

Kelly really made her 300 game count. She added 247 and 199 for 746 and her partner Adamek shot 180, 190 and 100 for 570 — a 1316 doubles tally. Kelly's 746 was the high series of the tournament and the duo's 1316 was good enough for second place in doubles competition.

The record smashing didn't stop here, however. The Queens Tournament featured record breaking bowlers. Lisa Wagner of Palmetto, Fla., set a new high qualifying score of 1832 and a new low qualifying score was also recorded.

Six bowlers aided in rewriting the qualifying average records and Lorrie Nichols of Algonquin, Ill., and Pat Mercatanti of Washington Crossing, Pa., challenged the high game record of 299 by shooting 297s.

Cathy Almeida of Blackwood, N.J., won the Queens crown and earned a check for $10,000.

Nichols was No. 2 and earned a check for $5,500. She won two matches and then dropped into the losers bracket after being defeated by Adamek 873-854. Nichols went on to win seven matches until she met Almeida.

Almeida defeated Nichols in a four-game match 850-817 and went undefeated for the Tournament with a 214.8 average for 28 games. Nichols averaged 218.9 for 44 games.

Cheryl Daniels of Detroit, Mich., finished third and earned $4,000. Kim Kinyon of Lockport, N.Y., was No. 4 and earned $3,000. Adamek was No. 5 and earned $2,500. Cheryl Van Lerberg of Shawnee, Kan., was No. 6 and earned $2,000. Pat Costello of St. Helena, Calif., and Debbie McMullen of Denver finished No. 7 and No. 8, respectively, earning $1,500 and $1,000.

The sixth WIBC National Senior Tournament held May 10-11 in Niagara Falls, N.Y., in conjunction with the ABC National Senior Tournament was filled with fellowship and senior fun.

The tournament had a field of 160 bowlers, 12 more than last year, from 47 states and three Canadian provinces.

The women competed in four categories. The winners were: Helen Wold, Shelton, Wash. (Class A - 70 years and over); Lula Dodson, Orlando, Fla. (Class B - 65-69); Marcy Bayne, Calais, Vt. (Class C - 60-64); and Betty Moore, Romney, W.Va. (Class D - 55-59). Each bowler earned a $600 first prize.

Participants qualified through tournaments in their home states. In Niagara Falls, the seniors bowled two three-game qualifying blocks with the top four in each division advancing to a three-game match play competition.

Donna DiTrani of Harrington Park, N.J., a representative of Wichita State University, won the individual

title in the 1987 Women's National Intercollegiate Bowling Championships at Bloomfield Bowling Center (the WIBC Championship Tournament lanes).

DiTrani broke the individual game record of 269 (set by Nikki Gianulias of Solano Community College in 1978) in her first game of the tournament with a 278 and 11 hours later she broke her own record in the last game of the tournament with a 279.

Cathy Almeida, the 1987 WIBC Queens Tournament champion.

DiTrani edged out Lynn Pruitt of Indiana State University in the final match 279-199 to win the title. "If I could pick a person besides me (to win), it would be her," Pruitt said. Ironically it might have been Pruitt's help that gave DiTrani the winning edge. Pruitt patched up DiTrani's thumb going into match play and DiTrani came on strong.

The tournament sponsored by WIBC and Brunswick Corp. featured 24 of the top collegiate women bowlers. DiTrani earned the Marion Ladewig trophy and will represent the United States in the AMF World Cup in Kuala Lumpur, Malaysia. Lisa McGinnis of Morehead State captured the singles title and Karen Senior of the University of Florida and Pruitt captured the doubles title.

Top collegiate bowling teams competed in the National Collegiate Bowling Championships (NCBC) April 23-25 in Omaha, Neb., at the King Louie Rose Bowl.

In the finals (two game matches using the Baker format) Penn State fell to San Jose State 363-338. In the championship match, West Texas State defeated San Jose State 386-282.

Jackie Sellers, Penn State; Maja Rode and Kim Terrell, San Jose State; and Robin Davis and Carolyn Dorin, West Texas State were chosen as the All-Tournament team.

The WIBC awards program is one of the most popular membership services offered to bowlers. Every year nearly one of five WIBC members is recognized with an award for special achievements.

During the 1986-87 season, 6,332 awards were distributed for scoring achievements and 78,850 awards were distributed for feats such as the conversion of the Big Four, a Dutch 200 game or an all spare game.

Thirteen women rolled 800 series during the season with Jeanne Maiden of Solon, Ohio, leading the scoring sprees with an 864. Maiden rolled back-to-back 300 games and added a 264 game on November 23. Her score set a new three-game series high, ousting the previous record, 859, held by Patty Ann of Bloomington, Ill. Maiden also shot a 854 series during the season. She claims the most 800 series of any women bowler with six.

Other women rolling 800 series were: Alicia McGowan, Ferndale, Mich., 847; Gayle Racette, San Diego, Calif., 823; Betty Morris, Stockton, Calif., 817; Alayne Blomenberg, Cranston, R.I., 816; Michelle Blair, Marthasville, Mo., 813; Pam Hollander, Albuquerque, N.M, 804; Lydia Gant, Kansas City, Mo., 803; Joslyn Jennings, Chicago, 803; Karen Ellingsworth, Des Plaines, Ill., 802; Tish Johnson, Downey, Calif., 802; Donna Adamek, Duarte, Calif., 801; and Joli Brandt, Lee's Summit, Mo., 801.

Maiden also led the pack with number of 300 games; she shot five. Geri Anderson of Waukesha, Wis., rolled three 300 games during the season. Mary Martha Cerniglia, Springfield, Ill.; Cindy Coburn, Tonawanda, N.Y.; Ellingsworth; Donna Fostvedt, Colorado Springs, Colo.; Nikki Gianulias, Vallejo, Calif.; Jennings; Jodi Jensen, Wichita, Kan.; Donna Kieler, Kieler, Wis.; Kim Kopf, Battle Creek, Mich.; Ruth Rodriguez, Deland, Fla.; and Robin Romeo, Van Nuys, Calif., each shot two 300 games. The total of women rolling two 300 games for the season is 11 — eight more than last season. WIBC members rolled 162 perfect games during the season, 40 more than last year.

Coburn led the nation's women in high individual average. She posted a 217 average for 96 games. Coburn also held another 200 average, 208, in another league.

Five women bowlers were tied for No. 2 on the high individual average list with 216. Patty Ann, who has led the nation's women in high average for the past four years was one of them. Jensen; Regi Jonak, St. Louis, Mo.; Romeo; Penny Ross, St. Louis, Mo.; Cheryl Daniels, Detroit, Mich.; and Carol Miller, Waukesha, Wis., the TEAM USA coach, joined Ann in position No. 2. Miller and Daniels also carried 200 averages in other leagues, 211 and 202, respectively.

The women received special awards for the highest averages during the season.

Another 247 women received awards for averages of 200 or better. A whopping 255 women had high averages during the 1986-87 season.

The largest number of emblems this season were awarded to members rolling triplicates. Bowlers who shot 100 pins over their average earned the next largest number of emblems. The following is a breakdown of the awards presented during the 1986-87 season:

Triple Score	29,030
100 Pins-Over-Average	22,521
All Spare Game	21,874
Big Four Split	2,875
Dutch 200 Game	1,400
7-10 Split	1,150

The high triplicate score for the season was 258 and the low triple mark was 43. These awards were earned between August 1, 1986, and July 31, 1987.

Awards presented to WIBC senior bowlers increased again this season. Senior bowlers presented with the 75 Pins Over Average (game) award totaled 2,374, 181 more than last season and seniors earning the 125 Pins Over Average (series) totaled 914, a decrease of 301 from last season.

Summary Of Report Presented At The Annual Meeting

"Progress cannot be made without change."

As usual many things happened during the past year that you will be hearing about through the various committee reports. But there are a few I would like to comment on.

Last August a special committee was formed under the direction of NBC to gather data to enable evaluation of major aspects of the limited distance dressing concept. Members were appointed to serve on the committee by ABC, AMF, BPAA, Brunswick, MUBIG, WIBC and NBC.

The evaluation ran 120 days from September 1, 1986 to January 1, 1987. A summary report was presented to NBC January 24, 1987 and unanimously accepted by the committee. Each represented organization of the committee distributed information to its members.

Our membership is of grave concern and has continued to drop. Currently we do not know the effects of our promotional kits or the Launch-a-League program.

We do know that the kits were put to good use and that some proprietors were so impressed with the Launch-a-League program that sections were reprinted for possible joint program use.

We hope that all of you have appointed committees to work with the kit or, if you have been contacted by a proprietor, that you have organized a joint committee.

TEAM USA 1987 is well ahead of our first year as far as entries are concerned, which is great! But when a local association secretary or president says they don't know anything about the program I have to say "Then you are not reading your mail."

If this sounds like your association, your members are being deprived of an opportunity to become a member of TEAM USA and represent WIBC and the United States in international competition and perhaps even the Olympics. I urge you to go back, if you haven't done it, and do whatever is necessary to get the program rolling in your association.

We knew you could do it and you have! The "Be A Penny Pal for Youth Bowling" project has had tremendous response its first year.

I know that some leagues have been holding their funds until the end of the season, which is fine. For next year it would help if reminders of this project would be included at the beginning-of-the-season league officers workshop.

Next year? Remember that this is a long term project — seven years — at an estimated cost of $300,000 (jointly funded by ABC and WIBC). To give you an idea of how well received the program was, as of April 15 contributions totaled $143,110. Thanks ladies!

I had the pleasure of representing WIBC at the ABC Annual Meeting a few weeks ago. I told ABC and now I am telling you, that we should be proud of what we have done in and for our organizations and the sport of bowling, but please, not so proud that we are afraid to make changes if a new and different procedure would be better. Progress cannot be made without change.

Although April and May are considered the end of our regular bowling season, I always think of our Annual Meeting as both an end and a beginning. During the Annual Meeting everyone is brought up to date on events that have taken place during the season just ending as well as being given information of future plans. It is also the time that delegates vote on legislative changes that will prevail in the new season.

I would like to think of this as a mid-season thanksgiving and take this opportunity to thank you and so many, many more just like you for all the work you have done for WIBC, your members and bowling.

Maybe it would be better to consider this as the beginning of a new year, starting off with a clean slate and all sorts of resolutions to do things even better in our new year of 1987-88.

I'll even start off with a resolution . . . I resolve, on behalf of myself, the WIBC Board of Directors and the staff, that we will do everything in our power to give you, the members, the best possible service to continue to work toward getting bowling into the Olympic Games as a medal sport, to uphold the integrity of our sport, and to cooperate and work harmoniously with the other members of the bowling family. This we pledge to you.

Helen Baker
President

"In colonial times there was constant change and challenges that had to be met, and in the present day, WIBC continues to cope with change and address the challenges as we move forward."

I am going to go over some of these changes and challenges in my report.

The joint funding and administration of the ABC lane certification program department is working very effectively. Through February 20, 1987, 8,354 centers (155,920 lanes) have been certified. This represents 120 fewer centers and 1,330 lanes than were certified at this time last year.

A number of changes have been implemented in the department and should speed up the processing of certification applications.

As of February 28, 1987, a total of 262 Certified Lane Inspector Workshops have been conducted and 255 reinforcement classes have been held. We now have 1,770 certified inspectors in the field — 599 women and 1,171 men.

As of March 9, 1987, the WIBC membership total is 3,199,508 — a decrease of 6.16 percent. There are 114,569 sanctioned leagues which represents a decrease of 5.18 percent.

After receiving comments on the mixed league sanction application we went back to the drawing board and made some changes. These changes include: carbon paper interleaved with the application; the application will be a separate item in the service kit; and the application will be bound at the top for ease of alignment when inserting it into the typewriter.

The all-women sanction application will have few changes in its format. Changes include the inclusion of carbon paper and the removal of the sanction application from the league secretary's handbook.

Just a reminder not to send in old forms. This slows down the processing procedures and, as a result, increases costs and delays service to members.

A new format has been designed for the 1987-88 Association Handbook and Tournament Manual. The revised format should make it easier to find information, to make notes and to read the material. Please forward your comments on the revised edition to us after the season begins.

A colorful 11 x 17 poster illustrating WIBC awards and pamphlets is being produced. The poster will be available for distribution during the 1987-88 season.

For numerous years a WIBC membership pin has been available for purchase at the WIBC Championship Tournament site and Bowling Headquarters. A new pin has been designed and features WIBC with a bowling motif.

We have new artwork for the local and state association championship emblems beginning the 1987-88 season. The new design will include "provincial" for the Canadian provincial associations. In the past the artwork carried the "state" designation and not the "provincial" designation. Another change on association emblems concerns the chevrons that are used by associations who conduct classified tournaments. Many associations requested chevrons for classified events designated Division 1, 2, or 3 rather than Class A, B, C. The new chevrons will accomodate both designations.

If the tournament rules reviewed in the rules department are any indication, the new mandatory local and state association tournament rules are being well received. Another issue regarding tournaments is the importance of adequate advance planning. Remember the association is a customer and the proprietor is a business person with representatives from each trying to agree on a business transaction. Communication is the key to success. Obtain some type of written confirmation from the proprietor. Having a written agreement on file is a sound business procedure and can be of assistance when or if problems should occur.

WIBC continues its efforts to cut costs. To do so a decision has been made to combine our four annual mailings into two mailings. The mailings will be made in March and August. The March mailing will be a combination of the February and April mailings and the August mailing will combine the July and September mailings.

The WIBC Championship Tournament opened on April 2 and marked the first time an association in any of the New England states has hosted the event.

More than 35,000 women will participate for $800,593 worth of cash prizes. The 7,147 teams rank first for number of teams entering a WIBC Tournament held on the east coast.

The Queens Tournament entrants will be competing for a $10,000 first place prize. The 1988 Queens entry forms will be mailed on June 12, 1987 and will not be accepted with a postmark date prior to July 15, 1987.

The 1988 WIBC Championship Tournament and Annual Meeting will be hosted by twin hostess associations for the first time since the inaugural event in 1916. The Reno-Sparks-Herlong WBA and the Capitol City (Carson City) WBA will host the event. The Tournament opens on March

31, 1988 and the Queens Tournament will be held May 10-14.

Our official carrier program with United Airlines for the past two years has been productive. For 1988, we have selected American Airlines as the official carrier of WIBC.

Forty percent discounts are available to bowlers coming to the Reno area. Discounts are off the full day coach fare with an advance purchase requirement of seven days.

The 1989 WIBC Championship Tournament will open April 6, 1989 in Bismarck-Mandan, N.D. The Annual Meeting dates are May 1-3.

The apparel rule for the WIBC Championship Tournament has been revised to read as follows, effective for the 1988 Tournament: "Members are requested to wear suitable attire when participating in the WIBC Championship Tournament. Skirts or slacks are preferred."

The WIBC Board of Directors and the staff are ever mindful that essentially we are a group of women bowlers, seeking to advance and maintain interest in the sport of bowling. Through the leadership of President Helen Baker and the continued dedication of association leaders, WIBC will meet the challenges of today by combining the solid base of our heritage with a firm belief in our ability to overcome future obstacles.

My personal thanks to President Baker, the WIBC Board of Directors and the headquarters staff for all their contributions of work, talent and time.

Executive Secretary-Treasurer

Summarized from Annual Meeting Reports

LEGAL

"Unfortunately, we reviewed more cases and suspended more bowlers this past year than in any previous year."

There were 98 bond claims on losses in all women's leagues, mixed leagues and associations totaling $194,397.51. This represents an approximate increase of $50,000 in total fund losses.

Establishing proper accounts and monthly verification of those accounts to safeguard bowlers' money is important.

The committee has acted upon and finalized 1,980 cases involving membership rights or office holding privileges, high score appeals and other assorted cases.

The following is a summary of decisions rendered:

1,442 — Suspended indefinitely
96 — Suspended indefinitely from membership and holding office (three restricted from being a team captain)
71 — Suspended indefinitely from membership and never to hold office
105 — Not to hold office indefinitely
106 — Written reprimand
52 — Not guilty
6 — Case dismissed

The committee acted upon 199 applications for reinstatement. Of those who applied to regain office holding privileges, 14 were granted full privileges and two were denied. Of those who submitted applications concerning their membership, 128 were granted full privileges, 44 were allowed to bowl, but not hold office and 11 were denied.

In the period from August 1, 1986 to January 1, 1987, the committee finalized 661 cases and 81 applications for reinstatement. The breakdown on the types of cases is as follows:

494 — Nonpayment of league fees
63 — Misuse of funds (45 bond related)
15 — Failure to submit averages
85 — Miscellaneous
4 — High score appeals

In certain instances, defendants were given one last opportunity to pay the arrearage determined by the legal committee with the contingency that a suspension of membership would be imposed if payment was not remitted within 15 days. From November 15, 1985 to January 1, 1987, this "chance to pay" provision was used in 41 nonpayment cases. In 16 instances, dues were remitted.

Nonpayment of league fees seems to be our largest problem. Of the 1,980 cases, 1,533 were nonpayment of league fees. Please counsel your league officers at workshops to help eliminate this problem.

- Urge leagues to adopt realistic rules, and to be sure each member is aware of the rules on resignation and arrearage.
- For those who join the league after the start of the season, a special effort should be made to acquaint them with the rules.
- Enforce rules on arrearage. Don't let the amount owed build up; take action immediately.
- Make league officers aware that when a bowler gives a two-week notice, it is two calendar weeks.
- If a bowler gives her notice prior to bowling, then that week is considered part of her notice. If given after bowling, the notice begins with the following week.
- If the procedures in rule 114c are not strictly adhered to, the file will not be accepted by WIBC. The requirement for adherence to this rule is a safeguard to the rights of the league and member.

The committee and the WIBC staff appreciate the efforts of association secretaries and the boards of directors, and thank all of you for your cooperation.

Members of WIBC's legal committee are Elaine Hagin, chairman; Mitzi Herold; Irene Kreidler; Clara Morton; Marilynn Rew; and Helen Baker, Ex-officio.

INTERNATIONAL COMPETITION

"We encourage you to support the position that ALL international competition is exciting, enriching, good for the sport of bowling and a worthwhile goal for WIBC members."

This has been a year of banner headlines for international competition: 61 women qualify for first TEAM USA National Finals; first WIBC National Amateur champion honored; bowling gains exhibition status in 1988 Summer Olympics; and bowling attains Pan American medal status.

TEAM USA was very successful. Over 10,700 entries were received and the top 61 competed in the national finals. The top six bowlers were named TEAM USA after 48 games of National Finals competition. The team: Cora Fiebig, Madison Heights, Mich., national amateur champion; Sandra Jo Shiery, Bronson, Mich.; M. Sue Holton, Orlando, Fla.; Nellie Glandon, Columbus, Ohio; Kathy Wodka, Las Vegas; and Karen Bender, Lansing, Ill. Alternates are Lana Mink, Groton, Conn., and Debra McMullen, Denver, Colo.

The team spent one week at the Olympic Training Center in Colorado Springs, Colo., where they learned about nutrition, training and psychological aspects of competing.

Fiebig and Dan Nadeau, the men's national amateur champion, were chosen by the USOC as Bowling Sportswoman and Sportsman of the Year. Several articles and clips about bowling were featured in *The Olympian*, the USOC magazine.

In the 1986 edition of the Tournament of the Americas, the WIBC representatives Terri Baldwin of Glen Garden, N.J., and Zene Guthrie of Orlando, Fla., placed fourth in the doubles competition and the United States team finished fourth out of 22 countries in the 36-game team all events competition. Next year the U.S. representatives for this tournament will come from TEAM USA.

Two Swedish bowlers Annette Hagre and Peter Ljung won the AMF World Cup in Rodoevre, Denmark. Vicki Parker, the WIBC representative, made a strong showing finishing sixth among 34 entrants and rolling the tournament high game, 268. The ABC representative, Scott Thomsen placed fourth out of 41 bowlers.

Bowling will be an exhibition sport in the 1988 Summer Olympics in Seoul, South Korea. The probable course of qualification for the Olympic spots will include a preliminary qualifying tournament with the finals at the Olympics to be singles competition among a field of 12 men and 12 women. The qualifying event is likely to follow the traditional FIQ format of team, doubles, singles and trios. The format and site for the qualifying competition will be decided by the FIQ Presidium.

At this point we have 8,376 entries on the local level for the 1987 TEAM USA Bowling Tournament. Remember, nine-game local qualifying can be conducted by a league, a bowling center or a nine-game sanctioned tournament including the local championship tournament.

Last November, the Pan American Sports Organization (PASO) granted bowling medal status beginning with the 1991 games in Havana, Cuba. Bowling was the only sport added bringing the total to 28 sports.

The FIQ American Zone Tournament will be hosted by WIBC and ABC in 1989 on specially constructed ABC lanes in Wichita, Kan. We will extend an invitation to the World FIQ Congress and Presidium to conduct its meeting at the same time.

It truly has been a banner year for international competition. But we have only traveled part of the way on our journey toward full recognition as a major competitive sport.

Join us in supporting the actions and activities which bring us closer to our goal.

Members of the WIBC International Competition committee are: Joyce Deitch, chairman; Lo Borschuk; Pearl Keller; Shirlee Kutzner; Carol Miller; and Helen Baker, Ex-officio.

NATIONAL BOWLING HALL OF FAME AND MUSEUM

"More than 28,500 people visited the National Bowling Hall of Fame and Museum during the 1985-86 year, an 8.8 percent increase over the previous year."

Several exhibits have been expanded and added: An informal international display has been added on the lower level with the WIBC, ABC YABA and BPAA displays a lane maintenance exhibit has been completed; a bowling beer-stein exhibit has been added; and a painting depicting Earl Anthony's tournament strike in the Firestone (making him the first bowler to accumulate more than one million in earnings) has been added.

Earl Anthony studies the Great Moments painting.

The Hometown Heroics display now includes all sanctioned 300 games and 800 series and all the local and state hall of famers names have been added. Please remember to forward the names of recent inductees to the National Bowling Hall of Fame and Museum.

State and local women's bowling associations have been supportive since the National Bowling Hall of Fame and Museum fund raising began in 1979. We need your continued support for fund raising.

The annual Budweiser/Hall of Fame Tournament is our main fundraiser. Please work with your proprietors on promoting this event and follow through by assisting the bowling center during the tournament. The prize money this year is $50,000.

The Annual Friends program was well received last year and we hope many of you will participate again. Cards are available from any WIBC Board Member. Also, we urge each association to consider making a new committment to the National Bowling Hall of Fame and Museum.

Memorial and living tributes were established for the purpose of honoring bowlings' loved ones. Tributes to Alberta E. Crowe, our past president, have totaled over $95,000. We are hoping this figure will go over the $100,000 mark in 1987.

Our thanks to you for your support of the National Bowling Hall of Fame and Museum. We will endeavor to keep improving displays and maintain the building so all bowlers can be proud of this great showcase for our sport.

Members of the National Bowling Hall of Fame and Museum committee are: Gladys Banker, chairman; Mitzi Herold; Flora E. Mitchell; and Helen Baker, Ex-officio.

"It appears the drastic membership decline which has plagued YABA since its inception is finally leveling off."

YABA closed the season with membership at 663,411. This compares with 681,362 for the previous season. The collegians showed the greatest decline at 20.3 percent. The overall decline, however, was only four percent.

In the past year, we asked for assistance in finding the YABA "Youth Leader of the Year" and the ABC and WIBC Stars of Tomorrow. Eighteen nominations were received for "Youth Leader of the Year" and please continue to seek out the talented young administrator in your area. Jim Metzger of Queens Village, N.Y., received the honor this year.

The new "Pee Wee" division of YABA will become effective August 1, 1987. The division permits a modification of tenpins and is limited to youngsters ages three to seven. The goals of the new program include:

- Aid in development of eye/motor coordination
- Provide positive motivation through attainable pinfall
- Recognize personal achievement as opposed to competitive incentives

Through last year's dues increase, communication has been improved. YABA added the **Coaches Clipboard** and the **YL Communicator.**

The second YABA Workshop was successful — 420 individuals registered. Four seminars were presented: promotion; national tournaments — NJBC and TEAM USA; collegiate and youth leaders; awards; rules and instruction.

This year YABA is planning the largest event in the history of youth bowling. The NJBC and the YABA workshop will be combined in Memphis, Tenn., July 16-19. This year's finals will feature entrants from Puerto Rico.

YABA's education program is taking on a new look. To educate and create the best coaches, a new method of training is being developed. There are three phrases:

- Phase 1 — Administrative Clinic, open to anyone interested, this phase will cover general information on YABA and bowling
- Phase 2 — Basic Bowling Instruction, a one day school for entry level bowlers
- Phase 3 — Beyond the Beginner, will further develop the skills and techniques learned in phase 2

There were 1,717 entries for last year's TEAM USA. Three males and three females made it to the national finals and Rick Steelsmith finished second to make the team. This year YABA will qualify in the same way as WIBC and ABC, advancing members to state qualifying on a 1-10 ratio.

Stefanie Marek of Wilmington, Del., shows her style at the NJBC.

The 1986 National Junior Bowling Championships (NJBC) were held in Seattle, Wash. Coca-Cola sponsored the event with an original field of 265,000 youngsters. There were 224 state champions in the finals.

The Wichita State women and the Erie Community College men emerged as the national champions in the National Collegiate Bowling Championships held in Houston.

The In-School Bowling program which President Baker presented in detail during last year's Annual Meeting is designed as a "door opener." It develops bowling awareness among children from preschool into high school. The program is in full swing and two pilot areas have been selected for fall.

WIBC members are approaching $100,000 in Penny Pal contributions. Everyone cooperating in the development of the In-School program expresses their appreciation to the members of WIBC and to you, the leaders, for carrying the Penny Pal message.

We appreciate all the support you provide at the national, state and local level. Thank you for finding time in your busy schedules for YABA and youth bowling.

Members of the YABA committee are: Joyce Deitch, chairman; Gladys Banker; Elaine Hagin; Jo Smith; Ruth Smith; and Helen Baker, Ex-officio.

"Our thanks to the entire bowling family for their support to BVL."

Another record year for BVL. More than $1 million was raised for the second consecutive year. The total, $1,105,050 represents a five percent increase over last year's donations.

A California association led the donations this year. Orange County has raised $26,120. A New York association ran a close second. Syracuse has raised $22,830.

We applaud California for their overall tremendous support of the BVL program.

Women, men, juniors and bowling proprietors are all becoming more involved in raising funds for BVL. If your area or association isn't working on a project, maybe your bowling council or committee could make BVL one of its new projects.

We also appreciate the support of the 500 and 600 Clubs, the WIBC Pioneer Club and other WIBC groups that donate portions of their dues to BVL.

Thanks to members of the National Women Bowling Writers (Association) for their wonderful articles about BVL programs. Thanks also to *Woman Bowler* magazine, *Bowling* magazine and *Bowling Propriter* magazine for their assistance with the promotion of BVL programs and projects.

BVL has many projects and some donations are used for the following projects: V.A. medical center general support; television sets for hospitalized veterans; Re-Creation and performances; celebrity visits and bowling clinics; VA/BVL Tournament; the National Golden Age Game/Wheelchair games; and the awards program.

BVL is continuing its award program that was instituted in 1984-85. Awards will again be given for: most funds contributed to BVL for the year; most funds contributed to BVL on a membership basis for the year; and largest increase in donations to BVL for the year.

BVL will also be presenting a new award to all BVL chairmen of both the women's and men's associations in the form of a pin.

Thank you bowlers for your great record breaking efforts and for helping us reach our $1 million goal. Bowlers are beautiful people.

Members of the BVL committee are: Gladys M. Banker, chairman; Helen Baker; Joyce Deitch; and Flora E. Mitchell. The National Bowling Council is administrator of BVL funds.

"This is bowling's most ambitious program and has the highest reward potential in recent history."

Super Bowlin' Saturday was a huge success. We exceeded the target of 250,000 kid visits by almost 100,000.

Last year we asked all of you to volunteer your services to the proprietors in the promotion and conducting of this national program for our youngsters. Today, I want to thank all of you who did just that. However, we need to communicate better with each other. Proprietors reported that in many areas, assistance from WIBC, ABC and YABA was very scarce. We urge that you and especially the officers in your area contact proprietors and offer your assistance in "marketing" our game.

Mary Lou Retton and Super Bowlin' Saturday participants talk with BIF.

The NBC No. 1 priority for the 1987-88 season will be the promotion of sanctioned bowlers with a push toward senior bowlers.

In the senior area a promotion kit is already being developed and we will be looking into direct marketing. Special promotions in senior oriented publications is also a possibility.

NBC is a major sponsor of the 1987 Senior Olympics being held in St. Louis, Mo., June 27-July 3 — senior marketing is a long-term commitment for the Council.

General Mills provided us with 1.9 million dollars in television advertising plus 52 million boxes of General Mills cereal devoted a full back panel to bowling. Discussions are underway to continue this program with General Mills for 1987 or 1988.

Ore Ida Frozen Potatoes also provided excellent exposure for bowling with its buy-one, get-one-free offers.

NBC works continuously with other potential joint promoters of our sport and keeps the awareness program on the move through advertisements, development of statistical data and direct contacts.

A two-year marketing program "Bowling in the USA" has been developed. This is bowling's most ambitious program and has the highest reward potential in recent history. It will feature "sell" ideas including television spots offering two games for the price of one and rub-off sweepstakes programs.

The program has established the following objectives:

- Attract new bowlers
- Increase casual bowler visits
- Aid proprietors in conversion to sanctioned league members
- Increase consumer awareness of bowling's participation in the 1988 Olympics
- Enhance the overall positive image of bowling

NBC's education committee will continue its mission to further the growth, prosperity and integrity of bowling through education and training. The committee is responsible for:

- Industry-wide education programs
- Overseeing the In-School program
- Coordinating/developing a program to teach bowling skills to all.

National Bowling Week was truly national this year. President Reagan issued a proclamation, passed by the Senate and the House of Representatives making the week official.

NBC provided every association with a National Bowling Week kit and a large amount of media coverage was gained during the week.

To you, the bowling leaders, the National Bowling Council extends its thanks and appreciation for your many hours of dedication and volunteer efforts on behalf of the promotion of the sport of bowling.

Members of WIBC's National Bowling Council committee are: Gladys M. Banker, chairman; Helen Baker; Joyce Deitch; and Flora Mitchell.

"Through our senior programs we are making progress toward our objective of "4.2 by '92." A realistic goal, if we all keep moving forward."

We have seen great accomplishments in senior bowling and those who are largely responsible are in the 55 and over age group. The Women's International Bowling Congress is proud to recognize this elite group with their own membership cards, leagues and national championship tournament.

The number of senior leagues continues to increase. Sanctioning through a senior league provides members with senior membership cards making them eligible for all WIBC awards and the special senior awards.

State association presidents and secretaries have received information from WIBC regarding the U.S. National Senior Olympics. The scratch winners of state senior tournaments are eligible to participate in the games in St. Louis, Mo., June 27-July 2, 1987.

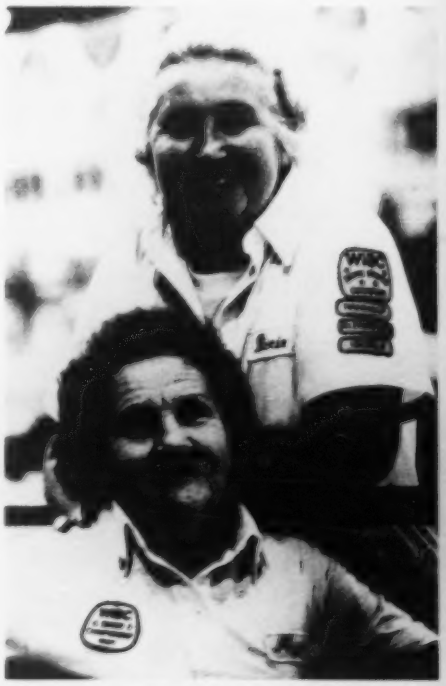
A total of 152 women from 46 states and three Canadian provinces participated in the 5th Annual National Senior Championship Tournament held in Las Vegas, May 10-11, 1986.

The winners by category were: Class A (70 and over) - Muriel Tacy, Hampton, Va.; Class B (65 to 69) - Marjorie Schreiner, Hays, Kan.; Class C (60-64) - Agnes Kochin, Sayre, Pa.; and Class D (55 to 59) - Mertie Siders, Little Rock, Ark.

The 6th Annual WIBC/ABC National Senior Championship Tournament will be held in Niagara Falls, N.Y., on May 9-10, 1987.

We recognize that you, the "movers and shakers" at the state and local association levels are responsible for this progress through your diligence and hard work. We encourage you to continue your P.R.O.G.R.E.S.S. (promote, recruit, organize, generate, recreation, excitement, sanction, seniors).

Members of the WIBC Senior committee are: Mitzi Herold, chairman; Bonnie Hodgson; Margaret Howell; Irene Kreidler; Jo Smith; and Helen Baker, Ex-officio.



Two senior bowlers enjoy a rest at the National Senior Championships.

The 1987 national senior champions are (L-R) Helen Wold (Class A), Lula Dodson (Class B), Marcy Bayne (Class C) and Betty Moore (Class D).

WIBC ANNUAL MEETING CONDENSED MINUTES

Monday Morning Session

The 70th Annual Meeting of the Women's International Bowling Congress convened at 9 a.m. Monday, April 20, 1987, in the Hartford Civic Center, Hartford, Conn., President Helen Baker of Cocoa Beach, Fla., presiding.

The invocation was given by Reverend Dr. Alvan N. Johnson of the Bethel A.M.E. Church. Everyone recited the Pledge of Allegiance to the flag of the United States of America. The National Anthems of both the United States and Canada were sung.

President Baker announced that the United States Olympic Committee (USOC) reclassified WIBC and ABC from Group C membership to Group A membership effective at the start of the 1989 quadrennial meeting.

She welcomed the delegates to Hartford and gave recognition to: Connecticut, Delaware, Maryland, Massachusetts and Rhode Island for having 100 percent of their local associations submit and delegate credentials.

Mrs. Nikki O'Neill, wife of William O'Neill, Connecticut governor, welcomed the delegates to Hartford. Mrs. Gladys Banker of Charles Town, W. Va., WIBC first vice president, read the rules governing the 70th Annual Meeting, as approved by the WIBC Board of Directors. They were accepted as read.

Miss Cathy DeVine, Greater Hartford Women's Bowling Association president, welcomed the Board of Directors and the delegates. "We hope you enjoy your stay here, have time to do a little sightseeing, and most of all, have a good time, make new friends and go home with fond memories of Hartford," she said.

President Baker recognized the chairmen of the committees responsible for putting together the 1987 Tournament and convention and praised them for doing an outstanding job.

Mrs. Pauline Sampieri, Connecticut WBA president, welcomed the delegates saying: "Connecticut has it all. North, south, east, west, Connecticut is best. We hope you will take advantage of our historic state."

President Baker introduced the WIBC Board of Directors, the executive secretary-treasurer and the assistant secretary-treasurer.

Joseph Dahl, American Bowling Congress (ABC) president addressed the delegates. "Plans really come in three phases, ladies. First, we determine what we want to do; second, what did we do; and finally, what are we going to do in the future," he said. "First we wanted to continue our quest for full Olympic status. Next we wanted a qualifying vehicle for international competition (TEAM USA) and a solution to the lane dressing issue. Finally we wanted to boost membership," Dahl said. "I salute you ladies for your part in this effort and your partnership with ABC," he said.

Dick Evans, president of the Bowling Writers Association of America (BWAA), told of BWAA efforts including the award for the male and female bowlers of the year, the Brunswick Friendship Matches promoting TEAM USA and the Collegiate Bowler of the Year scholarships. Evans mentioned that bowling doesn't get the acclaim that it deserves. "It is time that bowling sounds off and is heard from," he said.

Ed Clarkson, Young American Bowling Alliance (YABA) executive director, addressed the delegation. "Thanks to the generosity of Brunswick Corporation, we will be conducting another national youth bowling tournament," he said. Clarkson explained that the tournament will have the assistance of the National Football League Alumni Association and will have national television recognition.

" . . . There are some 29 million youngsters in our country between the ages of six and 13 who have yet to be exposed to the sport of bowling. Through your help, the Penny Pal campaign and with the assistance of the ABC, we are going to reach those 29 million youngsters," Clarkson said.

President Baker recognized other YABA representatives and the Coca-Cola Company for their efforts in youth bowling.

Lance Elliott, executive secretary-treasurer of the National Bowling Council (NBC) and Mrs. Banker gave the NBC report. Elliott noted that the number one priority for the 1987-88 season will be promotion of sanctioned bowling leagues.

Elliott said that special promotion offers for senior bowlers will also be explored. "Senior marketing is a long-term commitment for the Council, one we believe will bear tremendous fruit . . . " Mrs. Banker said.

Other NBC efforts, such as a two-year marketing program; improving the overall image of bowling; media efforts; a "Bowling in the USA" program; international competition; and the In-School bowling program were discussed.

Elliott also noted that major companies as well as major television programs such as the *Golden Girls, Moonlighting, Good Morning America, Entertainment Tonight and The Cosby Show* had featured bowling clips.

Super Bowlin' Saturday was the largest marketing effort of NBC and was a huge success. Over 320,000 youngsters participated. "Most important," Mrs. Banker said, "28 percent of the four-week attendees have been converted into youth league bowlers."

President Baker introduced the 1987 Alberta E. Crowe Star of Tomorrow Award winner: Dionne Lee of Modesto, Calif., and presented her with her award.

President Baker introduced Miss Connie Powers of Fraser, Mich., and presented her with a special award for bowling in her 50th WIBC Championship Tournament. She also recognized Mrs. Marge Higley, Orange, Calif. who was the first woman to bowl in 50 consecutive tournaments; Mrs. Mary Covell, Chicago, Ill., participating in her 56th event; and Mrs. Helen Basset, Peoria, Ill., Mrs. Catherine Burling, Cincinnati, Ohio, and Mrs. Florence Seeds, Columbus, Ohio, who were participating in their 51st events.

Sonny Frantz, president of the Bowling Proprietors' Association of America (BPAA), announced that the 4,000 members of the BPAA are working hard to reverse the decline in bowling participation. He announced that phase one of BPAA's national marketing plan, Super Bowlin' Saturday, was introduced. Frantz stated that many of their existing programs are industry wide in scope and BPAA is pleased to be working closely with the WIBC and ABC leaders, the manufacturers and others within the industry.

President Baker introduced Clint "Red" Burnham general manager of Vernon Lanes; Mrs. Alice Jarvis owner of Vernon Lanes; David Cherry of U.S. Polychemical Company, owner of Bloomfield Bowling Center, Ron Weisberg, general manager and Sandy Finkelstein, manager of Bloomfield Bowling Center.

President Baker then opened the WIBC Hall of Fame ceremonies stating that 88 women have been inducted since 1953, not including the 1987 selectees.

She presented the Meritorious Service award to Mrs. Agnes Duffy of Richmond, Calif. Duffy served on just about every WIBC committee — six before she was on the Board and 19 after she was elected. She was an AJBC director; treasurer of NBC, and chairman of its BVL committee; president and director of the NBHF/M; and editor of the National Women Bowling Writers Association publication: "Knows for News." In addition she served as auditor for the Federation International des Quilleurs (FIQ) and FIQ Tenpin Division, WIBC team manager for the Pan American Games and the FIQ World Championships. She is a WIBC member emeritus, a life member and a hall of fame member in three WBAs in addition, now, to the WIBC Hall of Fame.

Mrs. Gloria Bouvia of Gresham, Ore., was one of two women presented with the Superior Performance award. Bouvia made her first mark in bowling in 1966 when she won the WIBC Championship Tournament singles title with a 675. In the same year she won two professional titles and in 1969 and 1970 she won back-to-back doubles titles in the WIBC Championship Tournament. A few year later, she won another WIBC title, the team. She won the prestigious U.S. Open in 1967, has 31 sanctioned 700 series (including a 779) and a 298 game. She is a member of the Greater Portland WBA and the Oregon State WBA Halls of Fame for superior performance.

Miss Jean Havlish of St. Paul, Minn., was also presented the award for Superior Performance. Havlish won her first WIBC title in the 1964 Championship Tournment. She bowled 690 in singles to win the event and added fantastic scores in team and doubles event for a record-setting 1980 and the all events title. Her 1980 was bettered only once in all these years and by only four pins.

A former professional bowler, Havlish earned three Women's Professional Bowling Association titles and numerous local and state titles. She has a 299 game and a high series of 734.

She has also had a third-place finish in WIBC Championship Tournament team competition, sixth and eighth in all events and seventh in singles.

Havlish also earned a gold medal in the five-women event and a bronze medal in the three-women event in the 1981 FIQ American Zone Championships in Winnipeg, Man., Canada.

The President's Awards for outstanding support of the WIBC Championship Tournament were presented to: Washington, D.C., 123 teams and Michigan, 556 teams for most entries from a local and state association outside the hostess state; Leon, W.Va., 3 teams, 60 percent, and Maine, 48 teams, 7.30 percent, both for the most entries in proportion to membership from a local and state association outside the hostess state; and Greenwich-Stamford, Conn., 22 teams, 7.58 percent, for most teams in proportion to membership from a local association within the hostess state.

Gerald Baltz, executive director of the National Bowling Hall of Fame and Museum (NBHF M)addressed the delegation. With regard to capturing and preserving the heritage of bowling, Baltz announced that all of the 300 games and 800 series for the 1985-86 season have been in the Hometown Heroics computerized display. There are over 8,670 bowlers listed in Hometown Heroics.

NOTES TO FINANCIAL STATEMENTS
July 31, 1987 and 1986

1. Summary of significant accounting policies

Basis of presentation — Women's International Bowling Congress, Inc. (WIBC), is a nonprofit organization, organized in 1916 and incorporated in 1919 under the statutes of the State of Illinois. It engages in the promotion and supervision of the game of American tenpins for women. The accounts of WIBC are maintained on the accrual basis.

Income taxes — WIBC is exempt from federal income tax under Section 501(c) (3) of the Internal Revenue Code in accordance with an exemption letter dated November 27, 1985.

Materials and supplies inventory — Materials and supplies inventory is valued at the lower of cost, on the first-in, first-out basis, or market.

Depreciation — All fixed assets are depreciated using the straight-line method over the following estimated useful lives:

	Years
Furniture and fixtures	10
Office equipment	10
Vehicles	4

Designated funds — Annually, WIBC allocates a portion of its fund balance for various designated purposes.

Subscription revenue — Membership dues in the amount of $2.50 for each league sanctioned by WIBC are allocated to subscription revenue of Woman Bowler magazine.

Penny Pal program revenue — Contributions received under the Penny Pal program are recorded as revenue in the current year to the extent that expenses have been incurred.

Retirement plan — WIBC has a qualified noncontributory retirement plan which covers all eligible full-time employees. Total pension expense was $116,054 and $143,581 for 1987 and 1986, respectively, which includes amortization of past service costs and certain administrative costs. WIBC made no contributions to the plan in 1987 and 1986 as the net assets available for plan benefits were sufficient to meet the actuarial present value of accumulated plan benefits at July 31, 1987 and 1986.

A comparison of accumulated plan benefits and plan net assets is presented below as of the latest actuarial valuation dates.

	August 1, 1986	1985
Actuarial present value of accumulated plan benefits:		
Vested:		
Retired participants	$1,028,013	$ 847,183
Active and terminated participants	1,014,044	845,202
Total vested	2,042,057	1,692,385
Nonvested	88,585	140,721
Total actuarial present value of accumulated plan benefits	$2,130,642	$1,833,106
Net assets available for plan benefits	$2,789,761	$2,338,152

The weighted average assumed rate of return used in determining the actuarial present value of accumulated plan benefits was 6.5 percent.

In December, 1985, the Financial Accounting Standards Board issued and adopted Statement of Financial Accounting Standards No. 87, "Employers' Accounting for Pensions," which becomes effective for fiscal years beginning after December 15, 1986. Management is studying this new statement but has not determined its impact on future financial statements.

Reclassifications — Certain reclassifications have been made to the 1986 financial statements to conform to the 1987 presentation.

Effective August 1, 1986, WIBC began the "Be a Penny Pal" program to raise funds to support in-school bowling programs. WIBC members are asked to donate a penny for each game bowled during the season. The in-school programs are administered by YABA and the National Bowling Council (NBC) to increase the interest of young people in the sport of bowling.

Penny Pal contributions are maintained in a separate bank account and are used solely to support the in-school programs. Included in the July 31, 1987 cash balance is $177,136 of Penny Pal contributions which have not yet been distributed to NBC.

5. Commitment

WIBC and ABC have agreed to guarantee the continued operation of the NBHF/M through 1994.

The Board of Directors
Women's International Bowling
Congress, Inc.

We have examined the accompanying balance sheet of Women's International Bowling Congress, Inc. at July 31, 1987 and 1986, and the related statements of revenue, expenses, and fund balance and changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the statements mentioned above present fairly the financial position of Women's International Bowling Congress, Inc., at July 31, 1987 and 1986, and the results of operations and changes in financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis during the period.
